### Okazaki Chuo Sogo Park

Okazaki Chuo Sogo Park was opened in 1991. Every year, junior high school students from all over Okazaki go there to join their school club \*tournaments. There are four areas at the park. They are the Sports, Culture, Family, and Nature areas. In the Culture area, you can visit the Okazaki City Art Museum. This museum is called the “Okazaki Mindscape Museum”. We sometimes receive information about special events at the museum. In the Family area, you can enjoy a BBQ with friends and family. The use of this area does not \*cost money. In the Nature area, you can enjoy hiking in beautiful nature. Chuo Sogo Park is also very famous for sports events. You can do many things at the park. Please visit with your friends or family.
